Stan & Will -

I have reviewed the Notice of Intention submitted by Intrepid Potash for their Potash Mine in Tooele County.

The reclamation surety was determined to be \$5,987,383 which includes a five year escalation to year 2013. This amount includes an additional \$250,000, as was determined by the BLM. ~~for the proposed 92 drill holes~~. The bond to be held by DOGM with BLM named as a co-beneficiaries on the bond.

Please send your concurrence via email.

Thanks !
